You may be familiar with [Ron Yamauchi](#) as one of the *Straight's* movie reviewers. But did you know that he's taking to stage tonight as one of the leads in Vancouver Asian Canadian Theatre's [The Odd Couple?](#)

When he told me about it a few weeks ago, I was quite surprised.

But he, as many a devoted *Straight* blog reader will know, is a man of many talents. He's entered [novel writing contests](#) and performs in a band composed of movie reviewers called [Twisted Siskel](#) (along with [Ken Eisner](#)).

*The Odd Couple*, directed by **Raugi Yu** plays until July 27 at Richmond Cultural Centre (7700 Minoru Gate).

Read more about it at the [VACT Web site](#).
